

**World Trade Center Tacoma brings you access to market-leading foreign exchange services at preferred rates through the scale and power of our global WTCA Network**

**Do You...**

- < Have foreign vendors, customers, subsidiaries, or employees?
- < Make foreign currency denominated payments or convert foreign receivables?
- < Have exposure to fluctuating exchange rates?
- < Know how much your provider is charging for their forex services?
- < Know if you are getting the best available exchange rate on the days you transact?

**Your Company Receives**

**Currency Transactions**

For foreign payables, receivables, and a wide range of hedging products

**Expertise**

In doing business in over 90 currency pairs

**A Forensic Study**

Of past and current wires to determine what your current provider is charging and the potential savings

**Benefits Include:**

- < Preferred pricing resulting from the purchasing scale of the global World Trade Centers Association Network.
- < Streamlined setup requiring no change to your bank account relationship.
- < Secure transactions cleared through multi-national counterparties.
- < User-friendly trading portal, with live pricing in all time zones.
- < No transaction fees.
