

The Translation & Interpretation Service is a professional and affordable service provided both in-house and through our network of language experts. Clear communication is critical when working with foreign markets. We believe our service will aid your communication with your international business partners and prospects.

Your Outsourced Language & Cultural Expert Provides ...

- Facilitation for your next inbound foreign business meeting or official delegation visit at your company
- Translated marketing collateral to showcase your products and services to your clients overseas for an upcoming trade mission with us
- Turn your PPT into a bilingual version and elevate your presentation
- A trusted voice for your next business meeting with an international investor
- Simultaneous interpretation capacity at your event and conference with foreign participants

Sample Projects:

Extensive and quality translation of marketing materials for a real estate development project that have been quoted and adopted by agencies in China in promotion of the project to Chinese investors

Translation of 11 projects from across the US that have been showcased during the SelectUSA Roadshow in the Pearl River Delta region in China

Simultaneous interpretation during high profile summit

Interpretation during investment meetings, conferences, and tours
